PRESIDENT'S MESSAGE

We had a great meeting on April 19th; thanks to all who attended. Four members to the board of directors were elected. Three new members are Charles Bird, Ron Krug, and Richard Klippert. Ed Messineo was re-elected to another term. I look forward to working with the board. A total of twelve ran for the board positions. This is the greatest number of candidates we have ever had and indicates great interest. We appreciate the efforts of all candidates.

Quarterly billing was voted on and approved. This will save money and eliminate the coupons.

Our CC&R's do not allow garage sales but there is a way you can clean out your garages. See the notice on the next page about the Depot Casino's Community Yard Sale June 4th. It's free!

Our annul picnic is scheduled for July 23, 2005 from 2 pm to 6 pm at the tent. Good food, beer/wine and sodas. There will be a live band so bring your dancing shoes. It's free!!

EDITOR'S QUEST

VERY IMPORTANT--PLEASE READ

Starting July 1st, *The Newsletter* will be distributed by IPM. With the growth we are experiencing, we now publish 650 copies of the newsletter. By the time we are fully developed, we will have approximately 4000 homeowners. We will have one (1) Homeowners' Association with sub- sidiaries for different areas. The HOA will be establishing a new web site by July 1st. We will publish that address as soon as we get it. If you want a copy of *The Newsletter*, you will need to send your e-mail address to IPM. Send to Don Glenn--dglenn@IPM-tahoe.com Phone 775-832-0284 or Fax 775-832-4036.

It is very important that IPM know if your residence has a renter and their name, address, and phone number as they should also get a copy of *The Newsletter*. Not everyone has a computer and some may not want to have IPM send them a copy. IPM needs the information to handle the job correctly. Obviously, using e-mail is the most economical and efficient way for us to keep up the communication lines.

Special thanks and appreciation is extended to the following people for distributing *The Newsletter* each month: Harriet Pfrenzinger, Don Harn, Linda Arentson, Suzanne Mohr, Sue Bohl, Peter Sill, Judy Nelson, Penny Klippert, Kryssie Beard, and Jean Higgins. Without these volunteers, we would not have been able to get your issues to you. To summarize the changes, after July 1st, you will be getting your monthly newsletter either from the HOA web site, via e-mail, or by US Mail. While the layout may change, the information and format should stay the same. And, remember, if you have an Article, Suggestion, or Classified Ad, please let us know.

QUOTES AND JOKES

His name was Fleming and he was a poor Scottish farmer. One day, while trying to make a living for his family, he heard a cry for help coming from a nearby bog. He dropped his tools and ran to the bog. There, mired to his waist in black muck, was a terrified boy, screaming and struggling to free himself. Farmer Fleming saved the lad from what could have been a slow and terrifying death.
The next day a fancy carriage pulled up to the Scotsman's sparse surroundings. An elegantly dressed nobleman stepped out and introduced himself as the father of the boy Farmer Fleming had saved. "I want to repay you," said the nobleman. "You saved by son's life." "No, I can't accept payment for what I did," the Scottish farmer replied waving off the offer. At that moment, the farmer's own son came to the door of the family hovel.
"Is that your son?" the nobleman asked.
"Yes," the farmer replied proudly. "I'll make you a deal. Let me provide him with the level of education my own son will enjoy. If the lad is anything like his father, he'll no doubt grow to be a man we both will be proud of." And that he did. Farmer Fleming's son attended the very best schools and in time, graduated from St. Mary's Hospital Medical School in London, and went on to become known throughout the world as the noted Sir Alexander Fleming, the discoverer of Penicillin.
Years afterward, the same nobleman's son who was saved from the bog was stricken with pneumonia. What saved his life this time?Penicillin. The name of the nobleman? Lord Randolph Churchill. His son's name? Sir Winston Churchill.
