President's Message

The road work is just about complete; they will finish up during the first week of August. Thanks for your cooperation.
The block has been dropped off for the closing of most of the fence along the fourth hole. Two panels will be wrought iron with a preventive top to keep people out.
Hope everyone enjoyed the Homeowner's picnic!
During the summer months lots of folks take off on vacations and trips. Let your neighbors know so they can keep an eye on your home. Don't forget to stop your newspaper or have someone pick it up for you. Leave an emergency number with someone so you can be contacted if something unforeseen should come up. Over the years we have had very little problems because we all look out for each other. Please keep the speed down so someone doesn't get hurt. You can never be in that big a hurry to cost someone serious injury or death. Please slow down.
Enjoy the remainder of the summer! – *Charlie Duke*

Quote's and Jokes

KIDS IN CHURCH

3-year-old, Reese: "Our Father, Who does art in heaven, Harold is His name. Amen."
A little boy was overheard praying: "Lord, if you can't make me a better boy, don't worry about it. I'm having a real good time like I am."
A Sunday school class was studying the Ten Commandments. They were ready to discuss the last one. The teacher asked if anyone could tell her what it was. Susie raised her hand, stood tall, and quoted, "Thou shall not take the covers off the neighbor's wife."
And one particular four-year-old prayed, "And forgive us our trash baskets as we forgive those who put trash in our baskets."
A Sunday school teacher asked her children, as they were on the way to church service, "And why is it necessary to be quiet in church?" One bright little girl replied, "Because people are sleeping."
A father was at the beach with his children when the four- year-old son ran up to him, grabbed his hand, and led him to the shore where a seagull lay dead in the sand.
"Daddy, what happened to him?" the son asked.
"He died and went to Heaven," the Dad replied.
The boy thought a moment and then said, "Did God throw him back down?" - *Rick Mohr*

Editor's Quest

Although our website is still under construction, our monthly Newsletter will be available on our website **(daytonvalleyassociation.com),** starting with the August 2005 issue. For those who do not have access to a computer, call IPM and they will mail it to you. This needs to be done as soon as possible because the September issue will only be available on the website, unless you have contacted IPM with your current email or mailing information.

Mark Amaral, my Computer guru, will be providing us with an Article in the future to help us all to understand and protect our Computers. With all the Virus going around it can be a major problem, especially if you are like me. Mark spent 4 hours the other night cleaning up my computer. See his Business Card Ad if you need his service. Many of us have used his expertise. – *Rick Mohr*

Community Event's
